

Welcome,

At Long Beach Lodge Resort, we are passionate about where we live. We showcase the best of Vancouver Island, British Columbia and our hometown of Tofino.

Our wine list is almost 100 % British Columbia, minus champagne. Small, progressive, and lesser known wineries dominate our list, especially garage wineries focussed on biodynamic, organic and sustainable practice. We buy winery direct as often as possible to bring you elusive, hard to find wines.

Our beer selection is a celebration of BC's artisanal craft beer movement with 99 selections. Small, gutsy and independent breweries from Vancouver Island and mainland BC are the focus of our 'Beer Heaven' program. We offer the full line up from our local heroes at Tofino Brewery and showcase our good friends at Phillip's Brewery in Victoria on draft.

Our cocktail list is a homage to our seas, our forests and the travellers who explore them in rain or sun.

We also feature our Vancouver Island Gin & Tonic program, carrying every artisanal island gin available plus all the unique Phillip's tonics from Victoria to accompany them.

Happy Hour runs daily 3-6pm with ginger beer 'mule & buck' cocktails and champagne cocktails from \$4 to \$6.

So, while enjoying the sunrise or the sunset and all points in between, we'll help you find the perfect pairing to your experience...because what also makes British Columbia so extraordinary is you.

In support of our ongoing sustainability program we have eliminated the use of plastic straws as of Earth Day 2016. A 100% biodegradable straw option is available by request. Thanks for joining us here and cheers!
