*"It is a weekend we
will never forget*

Everyone says weddings are stressful, but the Lodge staff made our experience smooth, easy and relaxing. They took care of everything, which left us plenty of time to spend with our families - even convincing everyone to get in the water for afternoon surfing (made easy by the on site surf shop). The food at the reception dinner was amazing and they worked with us to create a special seafood menu - truly one of the best meals we have ever had! We cannot wait to go back to celebrate future anniversaries"
